“ It’s been 9 yrs since you, your mom, & dad left us tragically. You were such a sweet soul, cared so deeply for animals. I just know you’re in the afterlife giving love to all of those pups over the rainbow bridge. I still remember the day I met you at your home. You and your mom were fostering a pup that I adopted from the shelter. You were sad but happy that I was adopting the pup. I am so sorry about the tragic event which took all of y’all. You were taken too soon. Keep taking care of all of the animals in the afterlife.

“ I’m so sorry for your lost words can’t express the pain I know the family is dealing with. I would like to share a scripture for the family that gives us hope to see our loves ones again that has fallen asleep in death. It’s taken from (john 5:28,29) this what being encouraging to me with situation in my life [www.jw.org](http://www.jw.org) has comforting information that can help you during this difficult time.

“ *Tyler you were a sweet blessing. I met you the day after your birthday on October 7, 2011, when I came to your home to adopt Molly. You were so sad to see her go but so happy she was going to have a home away from the shelter. I had a great time running around playing with you in the backyard with Molly. You were such a little gentleman, so polite to introduce me to the rest of your furbabies. The world lost an amazing child on Monday April 28, 2014, you were a bright kid and I'm sure you would have made a difference in care of animals. You will never be forgotten, always in my heart ? RIP sweet boy Tyler... Love you... Belinda Prather*
