“ *Udine was an avid bird watcher! She loved hummingbirds. She loved pretty flowers. She gave me a book on North American birds that was about 4 inches thick. She had about 10 bibles with things written in everyone of them. She had enjoyed keeping up with her ancestors and I gave my daughter Kristen Van Cleve all of her records. I still have some beautiful paintings and quilts she made.*

Udine was my Aunt, married to my Uncle Greer Keith, for many years. She decided to be a nurse & studied to earn her degree. We had not kept in touch after the death of her daughter, Phyllis. & we had only heard of the death of her daughter, Sue. Anyone reading this, please keep in touch with family & old friends. They are your life's story and you are theirs. Love you & miss you. Anita Burns Spragg.

“ *I used to love to go to my Grandmother Dean's house a a little girl. She always had a refidgerator full of Nehi grape and Orange Crush drinks. We would race to the refrigerator. She had the most beautiful silver Christmas tree. She was one classy lady. She had such a sweet disposition. Dean, we will miss you!*

“ Dean told me that she used to ride her horse to her friend's house about two miles away when she was a young girl. One day she came out and the horse had gone home without her. She also told me that Granddaddy Greer and her dated a brother and sister. He would always pick her up first, then pick up the brother and sister. One evening, he passed the brother and sister's house up. She said, "what are you doing"? He said I decided to go out with you tonight. The rest is history. Laurie Kerr
