*Wayne and Willie Earl, my prayers go out to your families. She was more like an Aunt to me and a sister to my Mother, Marjorie. In fact both my boys called her Aunt Winston. She will be missed. With love

Aunt Winston was a smart, wise Christian lady. She was a lifetime learner and teacher. She opened up a saving account for my sister Lynn and I when we were children and on our birthday she would deposit a few dollars into our account. With this account she taught us early in life to save money. Aunt Winston knew how to make others feel important. My family always looked forward to chatting with her because she was an encourager. Our family loved Aunt Winston dearly.
